Enviro Care®

Low Foam All Purpose

All Purpose Cleaner/Degreaser

Enviro Care[®]

Low Foam All Purpose

Where to Use

Highly concentrated, effective for all routine cleaning jobs. It is particularly effective for cleaning highly polished floors. Its almost neutral pH and low foam means no streaking and no foaming when used through an automatic scrubbing machine. Specifically formulated for compatibility with ENVIRO CARE Novus. Will not attack, damage or dull any floor finish or wax. It lifts soil from any washable surface quickly and easily and dries film free. Works equally well in hard or soft water. Use for damp mopping, scrubbing, spray and wipe cleaning, or with a hand bucket and cloth. Revitalizes any washable surface without damage.

Benefits

- Nontoxic (aquatic & human)
- Biodegradable¹
- No added fragrances
- Non-Corrosive
- Contains no hazardous Ingredients²
- Not formulated with Glycol Ethers
- Not formulated with Alkalies
- Biobased ingredients³

¹ As defined in 40CFR796.3200 EPA/TSCA

² As defined in OSHA 29CFR 1910.1200

³ Meets USDA Biopreferred standards

Dilution Ratios

Light Soil Removal, Routine Damp Mopping and Automatic

Scrubbing: Dilute (1:128) 1 oz. per gallon/30ml per 3.78 litres of water.

Heavy Soil Accumulations: Dilute (1:32) 4 oz. per gallon/120ml per 3.8 litres of water.

Moderate Soil Removal Damp Mopping: Dilute (1:32) 4 oz. per gallon/120ml per 3.8 litres of water. Spray on surface and wipe with clean cloth.

Hard Soil Accumulations: Dilute (1:32) 4 oz. per gallon/120 ml per 3.8 litres of water.

Directions for Use

Dilute with water from the cold tap. Improper use or dilution may result in damage to surfaces and may increase health effects.

Allow solution to remain on the surface for 5 to 10 minutes for maximum chemical action to dissolve extremely heavy soil accumulations. Agitate with a brush or mild scrubbing pad if necessary. Pick up dirty solution and rinse with clear water.

USDA Category 1. Letter of Guaranty available upon request.
