Enviro Care[®] Tough Job

Heavy Duty Cleaner & Degreaser

Enviro Care® Tough Job

Where to Use

A heavy-duty liquid cleaner that's strong enough for the most difficult cleaning tasks. Will remove carbon and greasy residues from walls, floors, machinery - any washable surface. Also excels at removing forklift tire marks and is perfect for fire and smoke damage clean up. May be used as a "spray and wipe" cleaner, and for damp mopping, automatic scrubbing, hand cleaning or through high-pressure washers and steam cleaners. Can be used in cold tank soaking applications and will not discolor or harm aluminum.

Benefits

- Biodegradable*
- Phosphate Free
- NPE Free
- Versatile
- Contains No Hazardous Ingredients**

Dilution Ratios:

Floor Cleaning : (1:128) 1 oz/30ml per gallon/3.8 litres of water.

Normal Soils, General Cleaning : (1:128) 1 oz per gallon / 30 ml per 3.8 litres of water.

Medium Soils, General Cleaning : (1:64 to 1:32) 2-4 oz per gallon / 60-120 ml per 3.8 litres of water.

Heavy Soils, General Cleaning : (1:16) 8 oz per gallon / 240 ml per 3.8 litres of water.

EZ-Mix Foamer dilution: (1:37) 3.5oz per gallon / 105ml per 3.8 litres of water.

Directions for Use

Enviro Care Tough Job Cleaner may be used as a "Spray and Wipe" cleaner, and for damp mopping, automatic scrubbing, hand scrubbing or through high-pressure washers and steam cleaners. Tough Job Cleaner may also be used in cold tank soaking applications and will not discolor or harm aluminum or other soft metals. When used for carpet spot remover or pre-spray, test carpet for colorfastness before using. Allow 5 to 10 minutes before beginning the shampooing or spot removal process.

* As defined in 40CFR796.3200 EPA/TSCA

** As defined in OSHA 29CFR 1910.1200
