BIO ATTACK

ODOUR & GREASE DIGESTER
DIGESTER D'ODEUR ET DE GRAISSE

Benefits

- Nontoxic (aquatic & human)
- Phosphate Free
- Biodegradable*
- Non-Corrosive
- Contains No Hazardous Ingredients**
- No Glycol Ethers
- Non-Alkaline
- Made Using renewable Resources
- Contains both aerobic and anaerobic bacteria

* As defined in 40CFR796.3200 EPA/TSCA

** As defined in OSHA 29CFR 1910.1200

Triple acting enzyme-producing living liquid bacteria with instant odour control. BioAttack is a living, non-pathogenic bacterial treatment which breaks down and liquefies solids such as fats, proteins, carbohydrates and grease. BioAttack contains both aerobic and anaerobic bacteria and immediately neutralizes all malodours. BioAttack bacteria remain 100% active until their work is done, at which time they begin rebuilding their colonies to replace fatalities and the cycle is repeated resulting in a successful ongoing drain or grease trap maintenance program.

Recommended for use in hospitals, nursing homes, schools, prisons, apartments, funeral homes, kennels, clinics, industries, recreational vehicles, marinas, septic tanks, sump-pumps, wet wells, porta-toilets or for eliminating odours from carpets, animal and pet odours, grease traps, drain line maintenance, etc.

Code #	Description	Size
278-1	BioAttack Odour & Grease Digester	18.9 L
278-4	BioAttack Odour & Grease Digester	4 L
278-12	BioAttack Odour & Grease Digester	946 mL
