UBAC-64

UNBELIEVABLE!® BIO-ACTIVE DRAIN & SEPTIC CLEANER

– Professional Strength Enzyme Drain & Septic Cleaner

Bio-active drain cleaner restores billions of the biological population of good bacteria and enzymes to break down the bad. Professional strength grease trap cleaner and commercial drain opener.

- Commercial application for slow draining sinks and lines
- Keeps grease traps & drains flowing with daily use
- Enzyme drain opener eats away odors in the grease trap and pipes
- Eliminates offensive odors by wiping away bacteria
- Safe on pipes & plumbing

Unbelievable!® Bio-Active Drain & Septic Cleaner Cleaner is available in 64 oz. bottles. Cases of 4 each. # UBAC-64

WHY SELL CORE PRODUCTS UBAC?

- UBAC is not sold in major retailers to compete against
- We monitor distribution for customer protection
- Private label with your company's brand
- Higher margins & free freight means more money in your pocket!

WHY ENZYME CLEANERS ARE BETTER!

Enzymatic drain cleaners are safer alternatives to chemical drain cleaners. The bacteria or enzymes naturally feed on organic waste material such as food waste, grease or hair that often clog drains and grease traps. Enzymes also remove odors by digesting the cause of odors instead of just covering them up. They are noncorrosive and nonpathogenic making them a better green cleaning solution.
